

## Application for Human Subjects Approval for Off-Campus Researchers

Researchers who are not faculty members, staff members, or students at Buffalo State must request approval from the Buffalo State IRB. To do so, please complete this form and attach a copy of the approved protocol from your home institution. If the protocol from your home institution does not include all of the necessary information, we may request that you re-write it according to the Buffalo State format.

Researcher/Title:
Title of Project:
Affiliation:
If student, Faculty Sponsor:
Has this project been approved by the Institutional Review Board at your home institution? 🗌 Yes 🗌 No
If yes, please attach a copy of the approval letter. If no, this application will not be approved until your home institution's approval has been secured.
With whom are you working at Buffalo State to facilitate data collection?
Please provide a written statement from that person or group indicating willingness to cooperate.
The attached application has been reviewed by the IRB at Buffalo State in accordance with our procedures and the protocol is approved in not approved.
Signature of IRB Chair or Designee

When signed by the chair of the IRB, this form indicates only that the research has been found to be in compliance with university and federal regulations.

## **Campus Approval to Conduct Research**

All off-campus researchers are here at the consent of the university. This consent may be revoked if students are judged to be at risk by the behavior of the off-campus researchers. The university assumes no liability for this project, beyond that provided for by the university and federal regulations guiding human subjects' research.

The attached application has been reviewed by the Institutional Review Board (IRB) Signatory Official and is approved in not approved.
